Meet Our Waste Pro Family!!

Division Manager – Kevin Exley

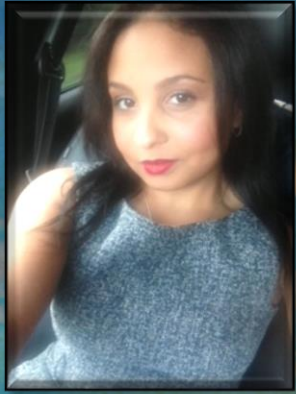

Kevin has been in the Waste Industry for over 26 years with positions ranging from Maintenance Manager, Regional Maintenance Manager, and General Manager. His favorite job was covering 7 Southeastern States and Puerto Rico for four years. After traveling all over the United States, Mr. Exley found his way back home and now reside in Rincon, Georgia. His role with Waste Pro may change soon by serving a larger area, but he will always have his thumb on this area.

Director of Government Relations - Brett Bennett

Brett has 15 years of experience in local government serving as a City Manager. He was responsible for the administration of all city services including sanitation, water, sewer, wastewater treatment, public safety, public works and economic development. Mr. Bennett's role is to serve as the point of contact for our municipal and large association customers. His experience in local government provides great insight into our delivery of sanitation services by understanding the local governments perspective.

Office Manager – Deianne’ Reddix

Deianne “Dee” is our Office Manager with 15 years experience here at Waste Pro. Dee is an important part of this contract. She and her team will work closely with the city to insure billing, TracEZ, and the website are maintained. Her team includes all of the dispatchers and customer service representatives for our division.

Operations Manager – Tim McDaniel

Tim McDaniel has over 30 years of experience in the operations management arena. After 17 years at FedEx Express, serving as Senior Operations Manager, Tim made the decision to begin working in the Waste Industry. Tim has now been in operations management in the waste industry for 8 years, with the last 3 being with Waste Pro. Tim has also served as Regional Safety Manager for Waste Pro.

Residential Manager- Jermaine Robinson

Jermaine is our Residential Route Supervisor. He has been with Waste Pro for over 10 years and is a vital part of the day to day residential service. Jermaine will also be seen in the city from time to time doing observations and looking at our equipment.

Maintenance Manager – Richard Davis

Rick is our Maintenance Manager. He has over 30 years experience in the maintenance field and has worked with Kevin side by side for over 20 years. Rick is a functional expert in the Maintenance Department that will keep the new contract equipment well maintained. Rick is from North Carolina and has moved from city to city to work with Kevin. He has finally purchased a house in Rincon to finish out his awesome career.

- Krystal Hepner

Dispatch

- Leanna Exley
- Mariah Stefan

Garbage Day

- Please place your garbage cart for collection adjacent to, but not in, the street by 7:00AM. It is suggested that you place your carts at the curb the night before the service is provided. It is important to always have the handles of the carts facing the curb.
- All garbage items placed in your carts should not extend above the rim.
- Used oil, paints, insecticides, chemicals, automotive parts, batteries, tires, medical waste including hypodermic needles and syringes, and hazardous waste will not be collected.
- All garbage needs to be bagged and placed inside the cart.

**Green Carts w/Green Lids
for Garbage (1st P/U
Monday January 25th)**

Every other Wednesday

Recycling Day

The following items may be recycled:

- Aluminum, steel and tin cans including soda cans, foil casserole pans and pie plates
- Plastic bottles including milk jugs and water, soda, shampoo, soap, and laundry detergent bottles
- Newspapers, broken down cardboard boxes that will fit in the cart, brown paper bags, telephone books, magazines and other miscellaneous residential paper

Items should be rinsed and placed loose inside of your bin.

We are unable to accept tires, aerosol cans, styrofoam, hoses and glass.

**No Food
Waste in this
Bin Please**

No Glass

recyclable

NOT recyclable

**Green Carts w/Blue Lids for
Recycling (1st P/U
Wednesday January 27th)**
