PRESS RELEASE

FOR IMMEDIATE RELEASE

Media Advisory – Cart Delivery and Service Information

Gautier, Mississippi; March 28, 2025 – Waste Pro will begin delivery of new carts (green with blue lid) during the week of March 31 – April 6, 2025. Please leave your current Waste Pro cart/container for collection on April 7, 2025.

Beginning April 7, 2025, Waste Pro will only perform collection services on the NEW Waste Pro carts (green with a blue lid) with serial numbers that start with 'GAU'. Personal containers that are privately purchased will be collected by Waste Pro but will not be maintained or replaced by them.

Additional Waste Pro carts can be leased for \$60/year. Recycling services can also be added for an additional \$12/month. Please contact Waste Pro's office at 228-818-5393 extension 2 to request additional carts or to add recycling service.

Residents who have questions after April 14, 2025, regarding a missed pickup or if you still have a cart that needs to be collected, please contact Waste Pro's office at 228-818-5393 extension 2 to schedule a pickup. Once you have contacted the office, please take the empty container that needs to be collected, turn it upside down at the curb, and Waste Pro will collect it. If you are not able to turn your cart upside down, please let our team know and ensure that it is free of trash.

Mayor Casey Vaughan expressed appreciation for the strong partnership between the City of Gautier and Waste Pro, stating, "Reliable waste collection is an essential service for our residents, and we're grateful for Waste Pro's commitment to keeping our city clean. Their continued partnership allows us to maintain a high quality of life for our community."
